

50cl Vegan – Paper label / Direct print

VEGANBOTTLE WATER**BIOFILTERED WATER** ®

This technology, developed by Dynamized Technologies, is an ultra-efficient triple filtration system that uses activated carbon and ionised silver to optimise drinking water.

(It removes chlorine, unpleasant tastes and odours, bacteria, organic pesticides, heavy metals, etc.) supplemented by UV treatment.

Certified bottle:
NF EN13432 & NFU44-051

Best before: See the top of the bottle.

Store in a clean, dry, odourless place away from heat < 45°C.

100% VEGETABLE ORIGIN
Drinking water by treatment.
